No need. Most of my suggestions are just that. Thanks for checking.

Have a great weekend

Thanks, Chuck. Helpful edits, though I haven't accepted all. Do you want to talk through it? It's kind of awkward to respond descriptively to a list in the email.

Aaron,

Please find attached a redline strikeout version of the draft notice of proposed
rulemaking that includes revisions made thus far in response to additional OMB and
interagency review comments, including to revisions to:

Ex. 5 - Deliberative Process

We are still in the process of updating the notice and the RIA based on additional
OMB and interagency review comments with:

Ex. 5 - Deliberative Process

The attached version of the notice contains comments or highlighting as placeholders for those sections above that we are still working on revising.

Also attached is a summary of historical ozone measurements in the Uinta Basin illustrating the public health issue we are attempting to address.

Please contact me or Chris Dresser if you have any questions about what is being provided today.
